Formation of the Internal Quality Assurance Cell (IQAC)

Introduction:

Quality enhancement is a continuous process, and the IQAC will become a part of the institution's system and work towards the realization of the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent, and catalytic improvement in the overall performance of the institution. During the post-accreditation period, the IQAC will channelize all efforts and measures of the institution towards promoting its holistic academic excellence. It is a facilitative and participative voluntary unit that acts as a vehicle for ushering in quality enhancement by working out planned interventionist strategies to remove deficiencies.

1. Objectives:

- To develop a system for conscious, consistent, and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

2. Strategies:

- Ensuring timely, efficient, and progressive performance of academic, administrative, and financial tasks.
- The relevance and quality of academic and research programmes.
- Equitable access to and affordability of academic programmes for various sections of society.
- Optimization and integration of modern methods of teaching and learning.
- The credibility of evaluation procedures.
- Ensuring the adequacy, maintenance, and proper allocation of support structure and services.
- Sharing of research findings and networking with other institutions in India and abroad.

3. Functions:

- Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
- Arrangement for feedback response from students, parents, and other stakeholders on quality-related institutional processes.
- Dissemination of information on various quality parameters of higher education.
- Organization of inter and intra institutional workshops, seminars on quality-related themes, and promotion of quality circles.
- Documentation of the various programmes/activities leading to quality improvement.
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
- Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality.
- Development of Quality Culture in the institution.

4. Benefits

- Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement.
- Ensure internalization of the quality culture.
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
- Provide a sound basis for decision-making to improve institutional functioning.
- Act as a dynamic system for quality changes in HEIs (Higher Education Institutions).
- Build an organized methodology of documentation and internal communication.
